

- Budget 2016- was advertised in the Sun-Gazette and can be approved at the December 28th meeting.
- Lycoming County EMA Services Council letter
Bruce Guinter explained the ALS Emergency Service letter received and the reasoning why the EMS picked Loyalsock ALS over Montoursville for service. The Montoursville medic goes with the PCT ambulance on calls but does not have transport capabilities. Loyalsock has the transport capabilities. Bruce wanted the Supervisors to be informed of the reasoning as normally Dr. Straley requires the closest ALS to serve. The Supervisors gave EMA permission to make the best decision for the ALS coverage on the Supervisors behalf.
