

The regular meeting of the Plunketts Creek Township Board of Supervisors was called to order on Monday, May 3, 2010 at 7 PM in the Township Building.

PRESENT: Gary Abernatha, Supervisor  
Marvin Springman, Supervisor  
Ray Lewis, Supervisor and Roadmaster  
Toni Watts, Assistant Secretary  
Jim Etzel, Bill Toth and Allen Kaplan.

The minutes of the previous meetings were approved as read.

GUESTS: None

REPORTS: Sewage Officer: Malfunctions: Cabin on Route 87 next to Mark DeAngelo, and Scaife Rd. They are working on soil profiles with Allen Kaplan for a new system. Wrote a letter for Kevin and Crystal Lewis for bank financing. Looking into where Lycoming Sanitary left off with Jodi Steely Route 87. Working with DEP and DCNR on a common sense solution to septic issues for leased cabins on state owned land.

Planning Commission: No Report.

Recreation Commission: No Report

PCTVFD: Now recycling plastics, magazines and newspapers.

Emergency Management: There is now a Verizon cell phone hot spot at the Firehall.

Roadmaster: Ready to start sweeping roads. Hope to grade soon.

Zoning Officer: Paul Kintzer – Wallis Run Rd – Replace mobile home  
John Schrader – 8935 Route 87 Hwy – Shed  
Richard Allen Straley – 8285 Route 87 hwy – Annual Campground permit

CONTINUING BUSINESS: Clean up day went well. We used 7 dumpsters – 2 steel, 1 refrigerants and 4 trash plus Unicor took a trailer of electronics to recycle. Jim Lewis and Bruce Guinter helped direct traffic as Fire Police.

West Branch COG show – Gary, Marvin, and I are going and if Emerson and Ray Murphy go then Ray Lewis will go also.

NEW BUSINESS: Ray made a motion, with unanimous affirmative vote, to have Charlie Rodgers pound a well at the maintenance building. The Supervisors will look into building a small insulated addition to the back of the building to use to enclose the well pump and oil tank in.

Bradco is putting a truck together and they will bring it to us to look at as soon as they have it ready.

Ray made a motion, with unanimous affirmative vote, to have the township building well water tested for composition to determine if some kind of filtration system is needed.

Marvin made a motion, with unanimous affirmative vote, to apply the 2010 County Aid, \$2776.00, to reconning the first section of Dunwoody Rd.

Municipal Services will be asked to come and look at the bank erosion on Lower Manor Road to give us a repair cost estimate.

The Supervisors are in agreement to give Dennis and Natalie Hall the old playground equipment that will not be used in the new playground.

DEEDS: Barbara J Mabie and Michael Robyn Fink, Co-Executors **TO** Michael Robyn Fink.

Katherine J Yinger, widow, Gary K Abernatha **TO** Gary K Abernatha.

Brett O Feese IRA, by Woodlands Bank, trustee **TO** Edward B & Pamela M Babin

Brett O Feese & Gwendolyn B Feese, husband and wife **TO** Edward B & Pamela M Babin

CHECKS APPROVED AND SIGNED:  
See attached treasurer's report.

There being no further business, the meeting was adjourned at 8:40 PM.

Respectfully Submitted,

Christiana Moyer, Secretary
