

Dear Parents,

Our days consist of playground activities, including running and jumping, on blacktop, grass, woods, sand, and mulch. Please encourage your child to wear appropriate foot wear to ensure their safety. *Please note: your child may be restricted from some activities if proper footwear is not worn.*

Be advised with constant outside play, please check your child for ticks

Every week we have 4 days of snacks and drinks and craft supply needs, Costs continue to go up and up, so if your child/children enjoy our program and you would like to help our foundation continue to serve our community recreation services, please ask our staff what items we are in need of, such as cups, snacks, drink mix, craft supplies, plastic silverware, etc. Any donations for small items will help keep our costs down so that we may continue to provide this program FREE of charge to your family.

Every year we have the same issue about picking up children on time. We are very tight on our budget for our employees. Their day ends at 4:15. Not 4:20 or later. If you cannot pick up your child by 4:15, you will need to make other arrangements for them to be picked up. If children are not picked by 4:15 you will be sent a bill for the time that our staff has to compensate for your tardiness.
