NOTICES

Contractor/Builder must comply with all provisions of Act 222 of 1980, the Building Energy Conservation Act. Contractor/Builder must comply with all provisions of Act 44 of 1993, Workers' Compensation Reform Act, for contractor proof provision. Issuance of this permit may be appealed by any aggrieved party within 30 days of the date of its issuance. Completion and submission of this application shall not relieve the applicant from obtaining such other permits as may be required by other local, county, state, or federal regulations or laws. Supplemental forms may be necessary for floodplain management requirements. Structures may be required to be certified prior to occupancy or use.
